likely to experience future behavioral and emotional problems. Third, evidence-based SEL interventions in all schools - that is, universal interventions - could substantially affect public health. This article defines social and emotional learning and summarizes research to

Developing your academic writing skills: a handbook

In academic writing, writers always interact with each others' texts and so there will be frequent references to the ideas, thinking or research of other authors writing in this field. You must give credit to those with whom you are interacting and there are structured guidelines for referencing and citation. Also, in academic writing it is

Critically reflective practice - University of Kent research, the assumptions that frame how they work. Critically reflective practitioners constantly research these assumptions by seeing practice through four complementary lenses: the lens of their own autobiographies as learners of reflective practice, the lens of learners' eyes, the lens of colleagues' perceptions, and the lens of ...
